

Welcome to our Campground!

Bumble Bee RV Park and Campground has over 6 acres of natural beauty with spacious RV and tent sites to accommodate your family. Our quaint campground has a small number of full-service RV and primitive tent sites that allow you and your family to enjoy the natural beauty of the trees and wildlife while visiting the Deep Creek area.

We have seasonal and short-term RV sites, found in the upper part of the campground, which include fire pits, picnic tables, and full-service hook-ups (water, electric, and sewer). Tent sites located at the edge of the campground, each include a fire pit and picnic table. All sites are within walking distance of our bath house with two showers and two stalls available in both the women's and men's areas. Additionally, the campground has upgraded wi-fi, a pay as you go laundry facility, and fire wood. Our campground is perfect for individual, family, or group camping.

Our campground is a leisurely three-hour drive from the Baltimore/Washington DC area and a short two-hour drive from Pittsburgh. We are less than two miles from Deep Creek Lake and the Wisp Ski Resort. Additionally, there is an abundance of year-round activities in western Maryland and close by in West Virginia and Pennsylvania.
